

# DID YOU KNOW?

## FLEXWELL® Elliptical Waveguide

*Radio Frequency Systems is the originator and designer of continuous seam welded corrugated transmission lines.*

Availability of unique cable sizes allows customers to achieve desired performance while reducing costs when compared to other manufacturers.

### Operating Frequency Range

Cable Type	Operating Frequency GHz	Cable Type	Operating Frequency GHz
E30	2.7— 3.1	EP70	6.4— 7.75
E38/EP38	3.6— 4.2	E78/EP78	7.1— 8.5
E46/EP46	4.4— 5.0	EP100	9.0— 10.0
ES46/ESP46	4.4— 5.0	E105/EP105	10.0— 11.7
EP58	4.4— 6.2	E130/EP130	10.7— 13.25
E60/EP60	5.6— 6.425	E150/EP150	13.4— 15.35
E65/EP65	5.9— 7.125	E185/EP185	17.3— 19.7

### OVERVIEW

- High quality, premium performance elliptical waveguide connectors.
- Complete range of microwave antennas, installation accessories and high quality pressurization systems.
