

# HUTTON

08

# EXPO

The Premier Wireless Learning Experience

- Point-to-Point Systems
- Point-to-Multipoint Systems
- In-building Systems
- Public Safety Systems
- Licensed
- Unlicensed

Be our guest at these “**FREE**” Two-Day seminars, and learn about new and emerging technologies.

## What you will Learn:

- Knowledge about existing and emerging technologies
- Technical knowledge of applications and products
- Information on
  - Point-to-point systems
  - Point-to-multipoint systems
  - In-building systems
  - Traditional wireless systems
  - Applications
  - Understanding overall system design
  - Understanding installation criteria
  - Ways to increase your revenues

**Hutton Application Engineers** will be on hand to assist you with specific system designs, site planning, etc. Hutton offers application engineering services as a value add to our customers. These services include:

- \* In-building system design
- \* Microwave system design
- \* Path analysis
- \* Mesh design
- \* Training

## Who Should Attend?

Dealers, Value Added Resellers, End Users, Public Safety, Carriers, Contractors, System Integrators

- Sales personnel
  - Learn about new applications
- Technical personnel
  - Learn about configuring and installing products

## Exhibit Area

Each day, from 4:30 until 7:00 PM an exhibit area will be open for you to see over 40 premier suppliers of wireless products. If you cannot make one of the classes, come for the exhibits and enjoy some hors d'oeuvres and a beverage of your choice.

When you attend a HC EXPO 08, you will have a chance to win an Amazon Kindle. One will be given away in each city.

Amazon's revolutionary wireless reading device!

HC EXPO 08 will feature speakers from some of the premier wireless suppliers in the market. Those scheduled include:

Logos of featured suppliers include:

- BridgeWave COMMUNICATIONS
- ANDREW® A CommScope Company
- rfneulink making RF the strongest link
- Xalt
- AIRAYA
- CERAGON networks®
- csi cellular specialties, inc.
- cielo NETWORKS
- BIRO TECHNOLOGIES GROUP
- TRANZEO WIRELESS TECHNOLOGIES INC.
- NERA
- MOTOWI 4™
- Dekolink we've got you covered
- Anritsu
- proxim WIRELESS
- InscapeData
- EION WIRELESS

Speakers provide technical product information and show product applications. Not a sales pitch, but a venue for you to gather information about technology, applications, and products on the market. Details of each class are available on [www.HOL4G.com](http://www.HOL4G.com)

### HC EXPO 08 Locations

### Afternoon Roundtable Discussions

Hear a panel of experts, including VARs, Dealers, and End Users, discussing real world applications and answering questions. Hosted by one of Hutton's Field Application Engineers.

**Register early for the classes. Space is limited in each class.**

\*\*\* Register by visiting [www.HOL4G.com](http://www.HOL4G.com) and click on the HC EXPO 08 icon.
